

**Let's add KIM KOMANDO to our HELP list.
How to get answers to our questions.....**

<https://www.komando.com/>

First let's review our help list:

Contact a family member or friend or neighbor etc.
Call, e-mail, or chat with a technician. (KIM!!!)
Read your computer manual.
Attend a computer class.
Click the **Help** "button" at the top of the window.
Google it.
